before you continue.

Continuing past the next step confirms that you agree to both documents.

1.4. Verify email address

The system will send you an account activation email. Follow the directions in the email to complete the registration process. Upon completion of the registration process, you will be able to access SwarmLab Services.

Verify email

Click the Verify email address button in the message from SwarmLab.

This confirms your email address and returns you to the sign-up process.
